

# Adjustable Top Shelf Assembly

Grant Series

1. Fit the two holes in the brackets over the screw heads extending from the bottom of the shelf with the large part of the bracket facing off the end of the shelf as shown. Tighten the screws.

2. Attach to uprights by sliding the T-Head bolts down from the top of the uprights to your desired position.

# Adjustable Top Shelf Assembly

Grant Series

3. Tighten the Nylock fasteners securely.
